 Ermioni Qafzezi, Fukuoka Institute of Technology, Japan

Finance Chair

Makoto Ikeda, Fukuoka Institute of Technology, Japan

Steering Committee Chair

Leonard Barolli, Fukuoka Institute of Technology, Japan

AIM & SCOPE

The 13-th International Conference on Emerging Internet, Data and Web Technologies (EIDWT-2025) is dedicated to the dissemination of original contributions that are related to the theories, practices and concepts of emerging Internet, Data and Web technologies yet most importantly of their applicability in business and academia towards a collective intelligence approach.

EIDWT-2025 will discuss advances in information networking and exploitation of data generated from emerging data technologies such as Data Centers, Data Grids and Clouds.

The aim of EIDWT-2025 is to discuss methods and practices which bring various internetworking and emerging data technologies together to capture, integrate, analyze, mine and visualize data and made available from various community users. The EIDWT-2025 provides a forum for original discussion and prompt future directions in the area. The main topic areas include, but are not limited to:

- Internet Protocols, Modelling and Optimization
- Network and Data Security, Trust and Reputation
- Big Data and Cloud Computing
- Mobile and Wireless Networks
- Distributed and Parallel Systems
- Ontologies and Metadata Representation
- Knowledge Discovery and Mining
- Databases and Data Warehouses
- Web Science and Business Intelligence
- Data Analytics and Virtual Organizations
- Data Management and Information Retrieval
- Machine Learning and Massive Processing
- Data Modeling, Visualization and Representation Tools
- Nature Inspired Computing
- Data Sensing, Integration and Querying Systems
- e-Science Data Sets, Repositories, Digital Infrastructures
- Energy-aware and Green Computing in Data Centers

IMPORTANT DATES

- **Submission Deadline: November 30, 2024 (Hard Deadline)**
- Authors Notification: December 5, 2024
- Author Registration: December 20, 2024
- Final Manuscript: December 20, 2024
- **Conference Dates: February 26 to February 28, 2025**

SUBMISSION GUIDELINES

The accepted papers will be included in the conference proceedings of Lecture Notes in Data Engineering and Communication Technologies (LNDECT) series published by Springer. The books of LNDECT series are indexed by EI and SCOPUS. Authors of accepted papers will be given instructions for camera ready and copyright form. Please submit the paper in EIDWT-2025 via EDAS.

SPECIAL ISSUES

Presented papers at EIDWT-2025 will be considered for publication in some Special Issues in International Journals.
