

# International Conference on Innovative Mobile and Internet Services in Ubiquitous Computing

July 2nd – July 4th, 2014, Birmingham City University, Birmingham, UK

<http://voyager.ce.fit.ac.jp/conf/imis/2014/>

The IMIS-2014 International Conference will be held in conjunction with CISIS-2014. <http://voyager.ce.fit.ac.jp/conf/cisis/2014/>

## ORGANIZING COMMITTEE

### Honorary Co-Chairs

Makoto Takizawa, Hosei University, Japan

### General Co-Chairs

Ilsun You, Korean Bible University, Korea

Leonard Barolli, Fukuoka Institute of Technology, Japan

### Program Committee Co-Chairs

Hae-Duck Joshua Jeong, Korean Bible University, Korea

Aniello Castiglione, University of Salerno, Italy

Philip Moore, Birmingham City University, UK

### Program Tracks

1. Smart Spaces and Intelligent Environments
2. Embedded Systems and Wearable Computers
3. Context and Location-aware Computing
4. Data Management in Pervasive Systems
5. Security, Trust and Privacy
6. Energy Aware Pervasive Systems
7. Knowledge Cities and Disaster Recovery
8. Smartphone Applications for UPC
9. Internet, Wireless and Mobile Networks for UPC
10. Distributed System and Cloud Computing
11. Intelligent Technologies and Applications on Big Data
12. Service-Centric Networking for Innovative Cloud Services and Applications

### Workshops Co-Chairs

Yuh-Shyan Chen, National Taipei University, Taiwan

Antonio J. Jara, HES-SO University, Switzerland

Fang-Yie Leu, Tunghai University, Taiwan

### Advisory Committee Members

Fatos Xhafa, Technical University of Catalonia, Spain

Witold Pedrycz, University of Alberta, Canada

Yi-Bing Lin, National Chiao Tung University, Taiwan

Kouichi Sakurai, Kyushu University, Japan

### Award Co-Chairs

Xiaofeng Chen, Xidian University, China

Ugo Fiore, University of Naples "Federico II", Italy

### International Liaison Co-Chairs

Marek Ogiela, AGH Univ. of Science and Technology, Poland

Jian Yuan, Tsinghua University, China

Kangbin Yim, SCH University, Korea

### Publicity Co-Chairs

Hsing-Chung Chen, Asia University, Taiwan

Mye Sohn, Sungkyungkwon University, Korea

Antonio Gentile, University of Palermo, Italy

### Local Arrangement Co-Chairs

Mak Sharma, Birmingham City University, UK

Hanifa Shah, Birmingham City University, UK

### Web Administrator Chairs

Makoto Ikeda, Fukuoka Institute of Technology, Japan

Tetsuya Oda, Fukuoka Institute of Technology, Japan

## AIM & SCOPE

With the proliferation of wireless technologies and electronic devices, there is a fast growing interest in Ubiquitous and Pervasive Computing (UPC). UPC enables to create a human-oriented computing environment where computer chips are embedded in everyday objects and interact with physical world. Through UPC, people can get online even while moving around, thus having almost permanent access to their preferred services. With a great potential to revolutionize our lives, UPC also poses new research challenges. IMIS International Conference will focus on the challenges and solutions for UPC with an emphasis on innovative, mobile and internet services. The conference will provide an opportunity for academic and industry professionals to discuss the latest issues and progress in the area of UPC. The conference will publish high quality papers, which are closely related to the various theories and practical applications in UPC. In addition, we expect that the conference and its publications will be a trigger for further related research and technology improvements in this important subject.

## IMPORTANT DATES

|                             |                                    |
|-----------------------------|------------------------------------|
| <b>Submission Deadline:</b> | <b>January 25, 2014 (Extended)</b> |
| Authors Notification:       | February 28, 2014                  |
| Author Registration:        | March 28, 2014                     |
| Final Manuscript:           | March 28, 2014                     |
| Conference Dates:           | July 2-4, 2014                     |

## WORKSHOPS

If you would like to organize a workshop, please submit a workshop proposal including call for papers, number of papers to be accepted, contact person, to the IMIS-2014 workshop Co-Chairs by November 1, 2013. Proceedings of IMIS-2014 workshops will be published together with IMIS-2014 by Conference Publishing Service (CPS). The schedule of each workshop should follow the conference schedule.

## SUBMISSION GUIDELINES

Submit a full paper not more than eight pages (Proceedings Manuscripts: two columns, single-spaced), including figures and references, using 10 font size, and number each page. You can find instructions for authors to format the manuscript at this web page: <http://www.computer.org/portal/site/cscps/>. Prepare your paper in PDF file (Adobe format), and submit it electronically to the IMIS-2014 web page: <http://voyager.ce.fit.ac.jp/conf/imis/2014/>. Accepted papers will be given guidelines in preparing and submitting the final manuscript(s) together with the notification of acceptance. Proceedings of the IMIS-2014 will be published by Conference Publishing Service (CPS). Presented papers at IMIS-2014 will be considered for publication in several Special Issues in International Journals.
