

CALL FOR PAPER

The 10th International Workshop on Disaster and Emergency Information Network Systems (IWDENS'2019)

(<http://voyager.ce.fit.ac.jp/conf/iwdens/2019/>)

in conjunction with

The 33rd International Conference on Advanced Information Networking and Applications (AINA2019)

(<http://voyager.ce.fit.ac.jp/conf/aina/2019/>)

Kunibiki Messe, Matsue, Japan, March 27-29, 2019

SCOPE

The 10th International Workshop on Disaster and Emergency Information Network Systems (IWDENS'2019) will be held in the Kunibiki Messe, Matsue, Japan, March 27-29, 2019. The workshop covers network design and implementation and application systems for large scale national disasters such as earthquake, mountain explosion, tsunami in addition to ordinal disasters, such as typhoon, rain flooding and snow-slide. Not only technological aspects by researchers but actual experience by governmental officers or volunteers for Disasters are also welcome. The IWDENS'2019 seeks original contributions in all relevant areas, including but not limited to the following topics.

- o Disaster Information Systems
- o Emergency Network Systems
- o Resilient Network Systems
- o Cloud Computing for Disaster Use
- o Software Defined Network for Emergency Use
- o AI system for Disaster Use
- o IoT for Disaster Use
- o Delay Tolerant Networking for Disaster
- o Robust and Redundant Network for Disaster
- o Environmental Surveillance System
- o GIS System and Disaster
- o Wireless Network for Disaster Information
- o Mobile Adhoc Network for Disaster Use
- o Web-based Disaster Information System
- o Mobile Terminals for Emergency Use
- o BCP system for Disaster

IMPORTANT DAYS

Paper Submission Deadline: December 10, 2018

Author Notification: January 15, 2019

Final Manuscript Due: January 25, 2019

Author Registration: January 25, 2019

PAPER SUBMISSION

Authors should submit a paper to the main conference with maximum 12 pages in length, including all figures, tables, and references. Workshop papers should be maximum 10 pages long. However, authors can add up to 2 extra pages with the appropriate fee payment. Papers must be prepared using the Lecture Notes Style of Springer Proceedings (URL: <http://voyager.ce.fit.ac.jp/conftools/Springer/For-the-authors-LECTURE-NOTES-TEMPLATES.zip>), and must be formatted in PDF format. Prepare your paper in PDF file and submit it electronically to AINA-2019 web page: <http://edas.info/N25291>.

All accepted papers will be included in conference proceedings of Lecture Notes series published by Springer. Proceedings will be sent by Springer for indexing in EI and SCOPUS. Authors of accepted papers will be given instructions for submission of camera ready and copyright form. Presented papers at AINA-2019 will be considered for publication in some Special Issues in International Journals.

Prepare your paper in PDF file (Adobe format), and submit it electronically to the EDAS online submission system; <http://edas.info/N25291>

Accepted papers will be given guidelines in preparing and submitting the final manuscript(s) together with the notification of acceptance.

PROGRAM COMMITTEE

Program Chairs:

Yoshitaka Shibata, Iwate Prefectural University

Noriki Uchida, Fukuoka Institute of Technology

Program committee

Masahiro Fukumoto, Kochi Institute of Technology

Hiroaki Yuze, University of Shizuoka

Tsuyoshi Hoshikawa, Otsuma Women's University

Jun Sawamoto, Iwate Prefectural University

Tomoyuki Ishida, Fukuoka Institute of Technology

Goshi Sato, Resilient ICT Research Center, National Institute of Information and Communication Technology (NICT)

For submission details please contact:

Noriki Uchida, Professor

Department of Information and Communication Engineering,

Fukuoka Institute of Technology

3-30-1 Wajiro-higashi, Higashi-ku, Fukuoka, 811-0295 Japan.
