

CALL FOR PAPER

The 11th International Workshop on Disaster and Emergency Information Network Systems (IWDENS'2020)

(<http://voyager.ce.fit.ac.jp/conf/iwdens/2020/>)

in conjunction with

The 34th International Conference on Advanced Information Networking and Applications (AINA2020)

(<http://voyager.ce.fit.ac.jp/conf/aina/2020/>)

University of Campania "Luigi Vanvitelli", Caserta, Italy, April 15-17, 2020

SCOPE

The 11th International Workshop on Disaster and Emergency Information Network Systems (IWDENS'2020) will be held in the University of Campania "Luigi Vanvitelli", Caserta, Italy, April 15-17, 2020. The workshop covers network design and implementation and application systems for large scale national disasters such as earthquake, mountain explosion, tsunami in addition to ordinal disasters, such as typhoon, rain flooding and snow-slide. Not only technological aspects by researchers but actual experience by governmental officers or volunteers for Disasters are also welcome. The IWDENS'2020 seeks original contributions in all relevant areas, including but not limited to the following topics.

- o Disaster Information Systems
- o Emergency Network Systems
- o Resilient Network Systems
- o Cloud Computing for Disaster Use
- o Software Defined Network for Emergency Use
- o AI system for Disaster Use
- o IoT for Disaster Use
- o Delay Tolerant Networking for Disaster
- o Robust and Redundant Network for Disaster
- o Environmental Surveillance System
- o GIS System and Disaster
- o Wireless Network for Disaster Information
- o Mobile Adhoc Network for Disaster Use
- o Web-based Disaster Information System
- o Mobile Terminals for Emergency Use
- o BCP system for Disaster

IMPORTANT DAYS

See AINA2020 website

PAPER SUBMISSION

See AINA2020 website

PROGRAM COMMITTEE

Program Chairs:

Yoshitaka Shibata, Iwate Prefectural University

Program committee

Noriki Uchida, Fukuoka Institute of Technology

Masahiro Fukumoto, Kochi Institute of Technology

Hiroaki Yuze, University of Shizuoka

Tsuyoshi Hoshikawa, Otsuma Women's University

Jun Sawamoto, Iwate Prefectural University

Tomoyuki Ishida, Fukuoka Institute of Technology

Goshi Sato, Resilient ICT Research Center, National Institute of Information and
Communication Technology (NICT)

For submission details please contact:

Noriki Uchida, Professor

Department of Information and Communication Engineering,

Fukuoka Institute of Technology

3-30-1 Wajiro-higashi, Higashi-ku, Fukuoka, 811-0295 Japan.
