

The 16th International Conference on Network-Based Information Systems (NBiS 2013)

September 4th - 6th, 2013, Gwangju, Korea

The 16th International Conference on Network-Based Information Systems (NBiS 2013)

Gwangju, Korea, September 4-6, 2013

<http://voyager.ce.fit.ac.jp/conf/nbis/2013>

SCOPE

The main objective of NBiS is to bring together researchers from both network systems and information systems with the aim of encouraging the exchange of ideas and experience between these two communities. The NBiS-2013 seeks original contributions in all relevant areas, including but not limited to the following topics.

1. Communication Networks and Protocols
2. Databases and Data Mining
3. Cloud, Grid and P2P Computing
4. Semantic Web and Internet Applications
5. Ubiquitous and Pervasive Computing Applications
6. Multimedia Systems and Applications
7. Mobile and Wireless Networks
8. Network Security and Privacy
9. Social Networks
10. Energy Efficient Networks and Green IT
11. Intelligent Computing and Networking
12. Parallel Computing and Multicore Systems

PAPER SUBMISSION GUIDELINE

Submit a full paper not more than eight pages (Proceedings Manuscript: two columns, single-spaced), including figures and references, using 10 font size, and number each page. You can find instructions to format the Proceedings Manuscript, at the following web page:

- <http://www.computer.org/portal/web/cscpcs/submission/>.

Prepare your paper in PDF file (Adobe format), and submit it electronically to the online submission system.

- <http://edas.info/N13549>

Accepted papers will be given guidelines in preparing and submitting the final manuscript(s) together with the notification of acceptance. Proceedings of the NBiS-2013 will be published by Conference Publishing Service (CPS). Presented papers at NBiS-2013 will be considered for publication in several Special Issues in International Journals.

IMPORTANT DATES

- ❖ Submission Deadline: **April 10, 2013 (Extended)**
- ❖ Authors Notification: May 1, 2013
- ❖ Author Registration: May 31, 2013
- ❖ Final Manuscript: May 31, 2013
- ❖ Conference Dates: September 4-6, 2013

For further information, please contact:

NBiS Conference Steering Committee Co-Chairs

NBiS-2013 ORGANIZING COMMITTEE

Honorary Chair

Doo-Soon Park, SoonChunHyang University, Korea

General Co-Chairs

James J. (Jong Hyuk) Park, SeoulTech, Korea

Minoru Uehara, Toyo University, Japan

Fatos Xhafa, Technical University of Catalonia, Spain

PC Co-Chairs

Hangbae Chang, Sangmyung University, Korea

Hiroaki Kikuchi, Meiji University, Japan

Salvatore Vitabile, University of Palermo, Italy

Local Arrangement Co-Chairs

Min Choi, Chungbuk National University, Korea

Cheonshik Kim, Sejong University, Korea

Namje Park, Jeju National University, Korea

Workshop Co-Chairs

Jaehwa Chung, Korea National Open University, Korea

Tomoya Enokido, Risho University, Japan

Wenny Rahayu, La Trobe University, Australia

WORKSHOPS

The following symposium and workshops will be held. Please submit papers to the NBiS-2013 workshops.

- ❖ The 4th International Symposium on Frontiers in Ubiquitous Computing, Networking and Applications (NeoFusion 2013)
- ❖ The International Workshop on Mobile Cloud Computing Technologies and Applications (MCCTA-2013)
- ❖ The 8th International Workshop on Network-based Virtual Reality and Tele-existence (INVITE-2013)
- ❖ The 2nd Workshop on Advances in Data Engineering and Mobile Computing (DEMoC-2013)
- ❖ The 6th International Workshop on Information Technology for Innovative Services (ITIS-2013)
- ❖ The 4th International Workshop on Intelligent Sensors and Smart Environments (ISSE 2013)
- ❖ The 2nd International Workshop on Web Services and Social Media (WSSM-2013)
- ❖ The 7th International Workshop on Advanced Distributed and Parallel Network Applications (ADPNA-2013)
- ❖ The 3rd International Workshop on Information Networking and Wireless Communications (INWC-2013)
- ❖ The 4th International Workshop on Trustworthy Computing (TwC-2013)
- ❖ The 2nd International Workshop on Cyber-Physical Systems, Applications and Technologies (CPSAT-2013)
- ❖ The 4th International Workshop on Heterogeneous Networking Environments and Technologies (HETNET-2013)
