

The 20-th International Conference on Complex, Intelligent, and Software Intensive Systems (CISIS-2026)

https://voyager.ce.fit.ac.jp/conf/cisis/2026/

July 1 – July 3, 2026

University of Luxembourg, Luxembourg

CISIS-2026 will be held in conjunction with IMIS-2026 - https://voyager.ce.fit.ac.jp/conf/imis/2026/

ORGANIZING COMMITTEE

Honorary Chair
Makoto Takizawa, Hosei University, Japan

General Co-Chairs
Inès Chihi, University of Luxembourg, Luxembourg
Tomoya Enokido, Rissho University, Japan
Isaac Woungang, Toronto Metropolitan Univ., Canada

Program Committee Co-Chairs
Jean-Guy Alex Fontaine, JAR Partner, China
Marek Ogiela, AGH University of Krakow, Poland
Farookh Hussain, Univ. of Technology Sydney, Australia

Program Tracks
1. Network Optimization and Analysis
2. Multimedia Systems and Web Applications
3. Mobile and Wireless Computing
4. Semantic Web and Web Services
5. Security and Federated Learning
6. Parallel and Distributed Computing
7. IoT and ML
8. Data Mining and Data Analytics
9. AI and Intelligent Computing
10. Digital Twins, Data Spaces and Data Quality
11. Heterogeneous Architectures and Applications for HPC, Cloud and Edge Computing

International Advisory Board
David Taniar, Monash University, Australia
Arjan Durresi, Indiana University, USA
Beniamino Di Martino, Univ. of Campania "L. Vanvitelli", Italy

Award Co-Chairs
Wenny Rahayu, La Trobe University, Australia
Minoru Uehara, Toyo University, Japan
Fatos Xhafa, Technical University of Catalonia, Spain

International Liaison Co-Chairs
Félicia Norma Rebecca Teferle, Univ. of Luxembourg, Luxembourg
Flora Amato, University of Naples "Frederico II", Italy
Takahiro Uchiya, Nagoya Institute of Technology, Japan

Publicity Co-Chairs
Christian Vincenot, Univ. of Luxembourg, Luxembourg
Hayashibara, Kyoto Sangyo University, Japan
Khaireddine Zarai, JAR Partner, China
Antonio Esposito, Univ. of Campania "Luigi Vanvitelli", Italy

Finance Chair
Makoto Ikeda, Fukuoka Institute of Technology, Japan

Local Arrangement Co-Chairs
Vijayakumar Muthusamy, University of Luxembourg, Luxembourg
Mohammad Abuabiah, Univ. of Luxembourg, Luxembourg

Web Administrator Co-Chairs
Shunya Higashi, Fukuoka Institute of Technology, Japan
Paboth Kraikritayakul, Fukuoka Institute of Technology, Japan

Steering Committee Chair
Leonard Barolli, Fukuoka Institute of Technology, Japan

AIM & SCOPE

The aim of the conference is to deliver a platform of scientific interaction between three interwoven challenging areas of research and development of future ICT-enabled applications: Software Intensive Systems, Complex Systems, and Intelligent Systems.

The CISIS-2026 is aiming at delivering a forum for in-depth scientific discussions amongst the three communities leading to significant contributions in areas such as:

- Monitoring and Control of Large Systems or Environments
- Managing the Heterogeneity of Knowledge by Means of Ontologies
- Service Oriented Architectures
- Software Intensive Systems
- Knowledge Management of Complex IT-Systems
- Pervasive, Ubiquitous, Ad Hoc and Mobile Systems
- Cloud, Fog and Edge Computing
- Heterogeneous Networking
- Socially Inspired Complex Systems
- Blockchain Computing and Security

IMORTANT DATES

Submission Deadline: March 25, 2026 (Extended Deadline)
Authors Notification: April 10, 2026
Author Registration: April 25, 2026
Final Manuscript: April 25, 2026
Conference Dates: July 1 – July 3, 2026

WORKSHOPS

If you would like to organize a workshop, please submit a workshop proposal including CFPs, number of papers to be accepted, contact person, to the CISIS-2026 International Conference Organizers. Proceedings of CISIS-2026 workshops will be published together with CISIS-2026 by Springer. The schedule of each workshop should follow the conference schedule.

SUBMISSION GUIDELINES

Papers should be maximum 12 pages in length, including all figures, tables, and references. However, authors can add up to 2 extra pages with the appropriate fee payment. Papers must be prepared using the Lecture Notes Style of Springer Proceedings (download from CISIS-2026 Web page) and must be formatted in PDF format. Prepare your paper in PDF file and submit it electronically via CISIS-2026 Web page: https://edas.info/N34245.

All accepted papers will be included in the conference proceedings of Lecture Notes in Data Engineering and Communication Technologies (LNDECT) series published by Springer. The books of LNDECT series are indexed by EI and SCOPUS. Authors of the accepted papers will be given instructions for submission of the camera ready and copyright form. Presented papers at CISIS-2026 will be considered for publication in some Special Issues.
